This sign is required by Act 36 of 2002 and must be posted at least 72 hours prior to any non-emergency pesticide application and remain in place for at least 48 hours following the application. For emergency pesticide applications this sign must be posted at the time of the application and remain in place for at least 48 hours from the conclusion of the application. To be removed by authorized personnel only.

Pest Control Information Sheet

For

Date: 10/10/17

Location: Senior High, 314 Elm St Ext, Canonsburg, PA 15317

Action: Pest Control EMERGENCY

A pest inspection and pesticide application have been scheduled for the above schools

This school district utilizes an Integrated Pest Management program, applying appropriate pesticides only when needed. Our applicators will select the most appropriate pesticides(s) from the following list of pesticides to control pests identified during their inspections. Not every pesticide listed may be used.

List of Pesticides, which may be used:

	Brand Name	EPA Registration Number
	CB-80	6545-A
	Termidore SC	58A054
