

INTRODUCING DOCTOR MATCH

— EXCLUSIVELY FROM HIGHMARK —

A tool that approaches the doctor-patient relationship like ... well, a relationship.

Health care works better when you and your doctor are in sync from the very start. That's why Doctor Match focuses on you: what you like, what you don't, and what you want in your next physician.

It's easy to get started. Visit DrMatchQuiz.com today and answer some basic questions about health care. You should be done in about 10 minutes.

And it's just as easy to switch doctors. We'll help transfer records and schedule your first appointment.

Find your doctor match at
DrMatchQuiz.com.

Doctor Match is intended to help patients choose a health care provider.
