

Now Enrolling for Pre-K 2021

If your child will be three or four years old before September 1, 2021, now is the time to enroll your child in PA Pre-K Counts for next fall!

Pennsylvania Pre-K Counts offers free, quality preschool to help your child learn the skills he or she needs to be ready and excited for kindergarten.

- Highly qualified teachers, with experience working with young children
- Small class sizes so teachers have lots of time for your child
- A curriculum and learning activities that help your child thrive
- Review of your child's development with teachers to help your child reach his potential
- Breakfast and lunch provided at no cost to families

Classes are 8:00-2:00 daily at:

Muse Elementary School
40 Muse School Street
Canonsburg, PA 15317

"Pre-K has given my child a jump start on being ready for school. He loves going to class each day and can't wait to tell me about all the things he's learning and doing there."

Who can apply:

- Children who are three or four years old before September 1, 2021
- Children who live in families earning 300% of the federal poverty level or less (such as a family of four earning \$79,500)
- Families must be Pennsylvania residents

How to apply:
