

Canon-McMillan Boys Basketball Registration

It is time for another great season of Canon-McMillan Youth Basketball. Please see the sign-up information below for our Recreational and Travel Programs.

Registration will be On Line this year. Go to **canonmacbba.com** and select “**Available Programs**”. Registration will be open from October 1 through October 20.

Recreational League

Our Recreational League goals are to teach all basketball fundamentals including ball-handling, shooting, offensive and defensive court skills necessary to play the great game of basketball for players in grades 3 through 8. Teams will practice one or two times per week starting in December. Games will be scheduled every Saturday at either the Middle School or Muse Elementary starting in January.

Travel League

Players interested in competing at the highest skill level are encouraged to try out for one of our Travel Teams. We have teams in each grade from 4th thru 8th competing in local competitive leagues. Canon-McMillan travel teams are designed to be highly competitive, so the number of players per team will be limited. Optional Open Gym times are available in the Fall for players interested in trying out for the Travel Team; contact Henry Klinar for more information (henryklinar@gmail.com).

Tryouts for the Travel Teams will take place during the week of Oct 25. Times and specific dates for each grade level communicated when set. Please note, if not selected for a Travel Team, the player will automatically be accepted into the recreational league with no additional registration necessary.

Registration Fees

The cost to register is \$115 per player which will cover all fees to play in our league. Players making the travel team squads will be subject to an additional fee to cover tournaments, and security and equipment costs.

Feel free to contact us with any questions at canonmacbba@gmail.com .
