

Canon-McMillan Youth Girls Softball Association

Spring 2021 Registration Information

Spring will be here before you know it and that means it is nearly time for another softball season! The Canon-McMillan Youth Girls Softball Association (CMYGSA) exists to provide the opportunity to play softball for any girl ages 4 to 15 residing in the CMSD and surrounding areas. Our mission is simple – we want each and every girl to have fun and become a better softball player.

What programs do you offer?

We offer two programs – recreational and travel. Our recreational program is great for having fun, learning the game, making friends and building traits like sportsmanship, teamwork and dedication. We also have a travel program (for certain age groups) serving those players who have the appropriate talent and commitment to the sport.

What are the age groups?

We offer programs for 4U (instructional), 6U, 8U, 10U, 12U and 15U (birth years 2006 through 2017)

Where are practices and games held?

Most of our practices and games are held at the softball field complex in Canonsburg Town Park (at the top of the park, accessed from Ridge Avenue & Yoney Drive). Older age groups (8U+) often play games against other area teams (e.g. Peters Township, Chartiers-Houston, Midway, Green Tree, etc).

What does my daughter need to play?

- Jersey → provided by us, it includes the player's last name & a number of your choice
- Black softball pants and blue socks recommended (especially for 8U and higher)
- Required equipment → glove, batting helmet with facemask and chin strap, fielder's mask
- Optional (but recommended) equipment → bat, softball/baseball bag, cleats/spikes

How much does it cost?

Total registration cost averages around \$100 (depending on age group). We use fundraising and volunteering programs to help keep registration costs reasonable.

How do I register?

It's easy – jump on our website, www.cmygsa.org and click on REGISTRATION INFO.

For more information please see our website (www.cmygsa.org) or if you have questions contact us at info@cmygsa.org.

We hope to see you at the fields!
